MAANAK MITRA — BIS COMPLIANCE ROADMAP & CHECKLIST

Official Sovereign Guidance for Bureau of Indian Standards & QCO Compliance

Target Product:	cake bakery IS 9712
Applicable Standard:	**cake bakery IS 9712**
Certification Scheme:	Scheme-I (ISI Mark)
Statutory Status:	**MANDATORY (QCO Order Enforced)**
Regulatory Authority:	Bureau of Indian Standards / Ministry of Consumer Affairs, Govt. of India
MSME Concession:	20% – 50% Statutory Fee Discount with Udyam Registration

5-STEP REGULATORY COMPLIANCE ROADMAP

Step 1: Standard Procurement & Gap Analysis

• Procure official standard cake bakery IS 9712 from the BIS portal to assess plant specifications, raw material benchmarks, and hygiene/safety parameters.

Step 2: In-House Testing Laboratory Setup

• Establish on-site lab testing setup with calibrated instruments per the BIS Scheme of Inspection and Testing (SIT).

Step 3: Online Application Filing (Manakonline)

• Submit Form-V on manakonline.in with machinery list, test equipment calibrations, and QC personnel certificates.

Step 4: Factory Inspection & Verification Audit

• BIS Inspecting Officer visits premises, verifies infrastructure, and draws counter-samples for independent lab testing.

Step 5: Grant of ISI Mark License & Marking

• Upon successful test results, BIS issues the CML (Certificate of Manufacturing License) enabling ISI marking on packaging.
